Teacher of the Year

Our congratulations to **Cindy Cooley**, who has been selected as our Davisburg representative for the Oakland County Teacher of the Year program. Cindy has been a member of our staff since 1984, and has taught 1st, 2nd and 4th grades as well as special education. Many of her former students have wonderful memories of being in her classroom and one of them, Carly Warden, shared this reflection: "Ms. Cooley taught me that it was not only what you learned or how fast or well it was accomplished but that the main road to success was to love to learn and learn to love." Many classes of students have reaped the benefits Cindy's passion for teaching and learning.

Shoes Tying 	Oh, those pesky shoe laces that seem to come untied at all of the wrong times. Mr. Snodsmith has a special request for a little shoe-tying practice at home for all of you who can spare a few moments. As always, we want our school to be a safe place for all students, and we've seen too many close calls with stray shoelaces, especially in our physical education classes! Many thanks.
