From Mr. I... Count on us!

That's right, Count on Us! That's our theme already established for next year. This has been a fantastic year! Our students, families and staff have shown remarkable patience as we renovated our school. It was all worth it. Just one short year ago we were packing boxes and standing on dirt instead of our commons!

More importantly we have gained academically. Our teachers have worked very hard at providing the best education for your children. I can't wait until next year!

Summer Learning Packets will be going home on Tuesday. These packets provide materials needed for summer learning at home.

Summer is a great time to keep your skills up by reading, writing and working on those math facts!

Thank you ALL for being part of the Patterson Learning Community. I am the luckiest principal around! Have a great summer!

Mr. Inhulsen, Principal
